The background image shows the interior of a large, ornate church. The architecture features high vaulted ceilings with intricate wooden trussing and stone columns. The space is dramatically lit with vibrant purple and blue stage lights. A large, multi-tiered pipe organ is visible in the background, illuminated by the purple light. Several spotlights are positioned around the room, casting beams of light across the ceiling and walls. The overall atmosphere is one of a grand, artistic performance space.

BALLARAT PERFORMING  
ARTS COMMUNITY

## BOARD INFORMATION

# ABOUT US

## VISION

**A Ballarat region with a thriving, diverse and sustainable performing arts sector and community.**

## MISSION

1. To promote a platform for performing arts organisations to collaborate for the benefit of our community.
2. To engage with stakeholders to provide affordable, fit-for-purpose facilities for a diverse range of artistic practices.

**THROUGH OUR WORK, THE COMMUNITY IS MORE CREATIVE, ENGAGED AND CONNECTED.**

# ABOUT YOU

- ♥ You want to be at the start of a movement that is creating a significant and tangible impact in our community.
- ♥ You want to contribute your skills and experience toward a bold and important arts project in Ballarat, and help ensure its success.
- ♥ You want to work with a passionate team, gain valuable skills and connections, and make a meaningful difference in the lives of others.
- ♥ Together, we can create experiences, foster collaboration and growth, and strengthen the local performing arts sector and community.

# 2026 PLAN
